New Rotating Artist on Display Cynthia Moser

Cynthia has been an artist her entire life. Since moving here, Cynthia has won awards in the Hendersonville Art League and has been a part of the downtown ArtScape Banner project five times; she also participates in

the Open Studio Tour each year. Her art showcases her love of playing dark against lights to portray excitement and interest. All of Cynthia's art hanging in the FCCH gallery is available for purchase.

Above is the painting "Calla Lilies".

If you cannot tour art at the church, there will be a different picture every week in our email reflecting Gail's art so that you can

see it virtually.

Community Connections

Somewhere, there is someone who has something you need.

Or someone who has something they can offer.

Perhaps one

or the other is you?

This week, we had a caretaker request and matched to a caretaker offering!

Check out our Community Board, or post something of your own. Located beside the

Fellowship Hall.

(While you're there, check out the pictorial chronicle of our summer pilgrimage adjacent to it.)

Don't forget your copy of the Chronicle!

Coming to you Sept 1st via email with upcoming events and scenes from our wonderful

groups and get-togethers

Copies also available throughout the church on the receptionist counter beside the Fellowship Hall as well as the hallway table.
