April 14th

Pizza Bash April 14th, 5 pm

Have you joined the church recently? Or not joined but still... you are a FRIEND?

Maybe you joined five years ago and still feel new?

Come and join us for a pizza and salad night. Let's get to know each other, have fun, and maybe get to know FCCH a little better, too. We won't be checking cards at the door on "new member status" but we do want you to sign up to come! Questions? Contact karla or mark.

Sign up by calling the office at (828)692-8630, or click to email at office@fcchenderonville.org.

Friendship Supper Wednesday, April 17, 5pm

Gather at 5:00 pm, and begin eating at 5:30 pm.

Bring a main dish, salad, vegetable or dessert to share, as well as your own plates, cups, and silverware.

Friendship dinners are a great way for us to get to know each other better.

Pilgrimage Book Study

In preparation for Karla's sabbatical, and our own pilgrimage journey as a

church, Karla will lead a three week book study based on the book "The Soul of Pilgrimage."

You may choose Tuesdays at 11:00 am (starting on April 23rd), or Wednesdays at 5:00 pm (starting on April 24th). The Study will run for 3 weeks. The first 20 people to sign up will receive a free copy of the book. Sign up by

contacting Jo at office@fcchendersonville.org, or call (828)692-8630.

New Artist to our Rotating Gallery

On Display now - Julius Pratt

Come by and see his original artwork
(located in the hallway)

My parents were an Episcopal priest and church organist.

I always liked to draw. After high school, I served in the Army in Europe, a great influence on my work.

I attended the University of Tennessee in Knoxville, majoring in Art, then the Pratt (no relation) Institute in New York City. I was an Art teacher at all school levels --- private, elementary through high school, and college. I was also a graphic artist and product designer.

My wife, Sukey, was on the craft circuit. Being a ceramic artist, she got me started

working in clay.

My paintings are done with acrylic paint on canvas or panel. Ceramic pieces are formed, fired, and finished in acrylic with color changing reflective bits.

I try to create interest and mystery. What inspires me is seeing the work grow from being an idea into something that has potential and consequence.

SOP: Standard Operating Procedures

We are in the process of documenting some of our processes.

Why?

--Have you ever transitioned to a new role and had to ask someone

else how to do it every time something comes up?

--Have you ever said, "It would be so much better if we just added this?"

--Have you ever sat down and tried to follow how to do something when it has been done a dozen different ways in the past?

If so, SOPs are for you! If you have any ideas or would just like to weigh in, please let us know by emailing office@fchendersonville.org

Happy birthday
